The Louisiana Public Service Commission ("Commission" or "LPSC"), in accordance with the requirements of the LPSC's General Order dated August 4, 2004, regarding the selection of contract employees ("Contract Order"), Commission Staff issues this Request for Proposals seeking an independent technical consultants and counsel to assist Commission Staff in the review and analysis of Cleco Power LLC's ("Cleco") Application in the above-captioned proceeding.

I. Overview

On December 6, 2012, Cleco filed its Application with the LPSC seeking a finding that Cleco's transfer of control of certain transmission assets to the Midwest Independent Transmission System Operator, Inc. 5. regional transmission planning organizations; including ancillary services markets, day ahead energy and operating reserves markets and real time energy and operating reserves markets;
6. transmission hedges, such as annual revenue rights and financial transmission rights; and
7. Cleco's transmission assets and operations;

All proposals shall include a plan of action, estimated timeline, and fees and costs associated with completing the scope of representation, below. This will result in one proposal. However, in the event, an applicant is chosen, Commission and its Staff shall have the right to determine how the tasks will be carried out. In addition, all proposals shall demonstrate that the Applicant has the qualifications and experience necessary to meet the requirements of this request for proposals. Applicants will only be considered if proposals meet all of the requirements of this request for proposals and the Commission's Contract Order.

III. Scope of Representation

Applicants will be assisting LPSC Staff in the review and analysis of Cleco's Application, including but not limited to, review of the application and supporting testimony, preparing data requests on the Application and any testimony filed by any other party, review of testimony filed by any party, participating in status conferences, conducting technical conferences, and preparing technical analysis as requested by Staff. VII. Disclaimer

The LPSC reserves the right to reject any and all proposals, to amend and/ or supplement this request for proposals at any time, and to consider proposals or modifications thereof received at any time prior to LPSC vote at Open Session, if such action is found by the LPSC to be in the public interest.
